PROFESSIONAL SUMMARY

Motivated Software Engineering student currently completed my 6th semester, with a strong foundation in Computer Science and Information Technology. Skilled in C++, Python, basic Flutter development, and fundamental Data Structures & Algorithms (DSA). Proficient in MS Office and familiar with software design, programming, and problem-solving concepts. Strong academic background with a keen interest in software development, artificial intelligence, and emerging technologies. Seeking opportunities to apply technical knowledge, gain practical experience, and contribute to real-world projects.
